

ANALYSIS OF THE STUDENTS' SATISFACTION SURVEY

In order to know the satisfaction of students about various academic facilities available in the institution, a survey was conducted among final year UG and PG students with the strength of 209. For this purpose, a questionnaire consisting of 20 questions covering different parameters was prepared and distributed to them for getting their responses. The data were analyzed. The results of analyses have been presented below.

1. The analysis of students' opinion on the coverage of syllabus reveals that the response of 84% of them is 'very good', 14% is 'good' and 2% is 'average'.
2. The analysis of students' opinion on the frequency of the teachers' explanation with examples and applications reveals that the responses of 91% of them is 'always' and 9% is 'usually'.
3. The analysis of students' opinion on the availability of opportunities to communicate and solve students' problems with the teachers discloses that the response of 80% of them is 'always', 15% is 'usually' and the remaining 5% is 'very few occasions'.
4. The analysis of students' opinion on the evaluation of internal assessment examination reveals that the response of 86% of them is 'always', 10% is 'usually' and 4% is 'sometimes'.
5. The analysis of students' opinion on the information given by the teachers about outcomes of each course discloses that the response of 80% of them is 'always', 16% is 'usually' and 4% is 'sometimes'.
6. The analysis of students' opinion on the identification of students' weakness and helping such students to overcome such weaknesses by the teachers exhibits that the response of 82% of them is 'always', 10% is 'usually' and 8% is 'sometimes'.
7. The analysis of students' opinion on encouraging students to participate in extra-curricular activities by the teachers discloses that the response of 85% of them is 'always' and that of 15% is 'usually'.
8. The analysis of students' opinion on the readiness of the teachers to help students even after regular class hours reveals that the response of 90% of them is 'always', and 10% is 'usually'.
9. The analysis of students' opinion on the usage of modern teaching methods (LCD Projector/Multimedia) by the teachers discloses the response of 75% of them is 'always', 10% is 'usually' and 15% is 'sometimes'.
10. The analysis of students' opinion on the sufficiency of Library Resources and Information to meet students' needs reveals that the response of 90% of them is 'always' and the remaining 10% is 'usually'.

11. The analysis of students' opinion on the frequency of discussion between the students and the teachers about the performance of students in assignments reveals that the response of 95% of them is 'every time' and that of 5% is 'usually'.
12. The analysis of students' opinion on the follow-up on the teachers' side on the task assigned to students exhibits that the response of 90% of them is 'every time' and the remaining 10% is 'usually'.
13. The analysis of students' opinion on the usage of ICT tools by the teachers while handling classes discloses that the response of 75% of them is 'almost all', 15% is 'very few' and the remaining 10% is 'one or two'.
14. The analysis of students' opinion on the teaching process of the institution reveals that the response of 95% of them is 'very good', and the remaining 5% is 'good'.
15. The analysis of students' opinion on the opportunities provided by the institution to learn and grow in their life reveals that the response of 85% of them is 'strongly agree', 10% is 'agree' and 5% is 'neutral'.
16. The analysis of students' opinion on the regularity of classes in the institution reveals that the response of 87% of them is 'very good', 8% is 'good' and 5% is 'average'.
17. The analysis of students' opinion on the punctuality of faculty members in the institution in terms of taking classes discloses that the response of 84% of them is 'very good', 11% is 'good' and the remaining 2% is 'average'.
18. The analysis of students' opinion on the behavior of faculty members in the institution discloses that the response of 83% of them is 'very good', 15% is 'good' and 2% is 'average'.
19. The analysis of students' opinion on the usage of Students' Centric Methods(experiential learning, participative learning, etc.,) by the teachers in the institution discloses that the response of 90% of them is 'strongly agree' and 10% is 'moderately agree'.
20. The analysis of students' opinion on the overall performance of the institution reveals that the response of 90% of them is 'very good', 6% is 'good' and the remaining 4% is 'average'.

Student Satisfaction Survey (SSS) – (2019-2020)

Course : _____ (Write your course name)

1. How much of the course syllabus is covered in the class?
A) Very Good B) Good C) Average D) Not good
2. Whether the teachers explain the topic by examples and applications
A) Always B) Usually C) Sometimes/Occasionally D) Never
3. How well can you communicate and dissolve your problems with teachers?
A) Always B) Usually C) Very few Occasions D) Never
4. How can you define/describe the evaluation of internal assessment examinations?
A) Always Fair B) Usually Fair C) Sometimes Unfair D) Usually Unfair
5. Whether the teachers inform you about the course outcomes (course outcomes means subject you will learn or you will be able to do on your own at the end of the course)
A) Always B) Usually C) Sometimes/Occasionally D) Never
6. Do the teachers identify your weakness and help you to overcome the weakness?
A) Always B) Usually C) Sometimes/Occasionally D) Never
7. Do the teachers encourage you to participate in extra-curricular activities?
A) Always B) Usually C) Sometimes/Occasionally D) Never
8. Are the teachers ready to help you regarding subjects even after regular class Hours?
A) Always B) Usually C) Sometimes/Occasionally D) Never
9. Do the teachers use computer aided teaching methods such as LCD Projector Multimedia to teach?
A) Always B) Usually C) Sometimes/Occasionally D) Never
10. Are the Library resources and information sufficient to meet your needs?
A) Always B) Usually C) Sometimes/Occasionally D) Never
11. Whether your performance in assignments discussed with you?
A) Every Time B) Usually C) Sometimes/Occasionally D) Never

12. Do the teachers do a necessary follow-up with a task assigned to you?

- A) Every Time B) Usually C) Sometimes D) Never

13. Whether the teachers in your department use ICT tools such as power point presentation, and software etc., while teaching?

- A) All most all B) Very few C) One or Two D) None

14. How do you describe the teaching process of your department?

- A) Very Good B) Good C) Average D) Not good

15. The institution provides you many opportunities to learn and grow in your life.

- A) Strongly Agree B) Agree C) Neutral D) Disagree

16. How do you feel about the regularity of classes in your department?

- A) Very Good B) Good C) Average D) Not good

17. What do you think about the punctuality of the faculty members in terms of taking classes in your department?

- A) Very Good B) Good C) Average D) Not good

18. What do you think about the behavior of the faculty members of your department?

- A) Very Good B) Good C) Average D) Not good

19. The teachers use student centric methods such as experimental learning, participative learning and problem solving methodologies for enhancing learning experiences.

- A) Strongly agree B) Moderately Agree C) Seldom D) Not at all

20. Are you satisfied with overall performance of the department?

- A) Very Good B) Good C) Average D) Not good
