

FEEDBACK 2021-2022

ACTION TAKEN REPORT

The college has developed a mechanism to obtain feedback from students by providing sample questionnaire survey among the students. This mechanism helps the students as well as the teachers in improving the standard/quality of teaching, learning process, improvement of the curriculum/syllabus of different programs and other academic and infrastructure of the institution. Based on the given feedback the following actions have been taken:

- Canteen facility have been upgraded
- College transportation have been introduced
- Advanced software facility have been upgraded in the computer lab
- Reference books purchased by library and information centre.
